SmartCerts Service Summary

Limelight Software Solutions (Pty) Ltd
P.O. Box 2759
Bromhof 2154
sales@smartcerts.co.za
010 2269432

SERVICE DESCRIPTION AND COSTS

SmartCerts service is a non-contract based solution. Costs are incurred for each member processed. Costs are paid for in the form of credits purchased. Credits never expire.

Once-Off Costs (Excl. Vat):

Once-off set-up , Vault, branding & customised Input Sheet:	R 2,500.00
Once-off certificate template design & implementation:	R 1,000.00
Once-Off Costs (Excl Vat total):	R 3,500.00

Costs (Excl. Vat):

Per member processed	R 8.50	(1 credit)
----------------------	--------	-------------------

Per member processed (1 credit) includes:

1. Creation of membership certificate, loaded to your online Vault.
2. Membership certificate loaded to member's own Vault, with your branding (optional per member).
3. Membership Cards with member photo (optional), loaded to Vaults (cards are optional).
4. Email of Certificate and Card to member and member's sponsor / company (if applicable).
5. SMS to member with link to enable download and store of certificate and Card to mobile.
6. QR Code on Certificate and Card so they can be verified as genuine.
7. Welcome letter emailed to member (optional).
8. Member certificate loaded to member's sponsor / company Vault (optional)□
9. Email summary report to you after each Excel Input sheet is run.
10. Email summary report to member's sponsor / cpany after each run, with Vault login details (if applicable).
11. Daily emails of all upcoming expiring certificates (by course & member) & full monthly Reminder Reports.
12. Detailed, period specific, member matrix report generated and emailed to you (on request).

IN OTHER WORDS - EVERYTHING

Important points:

1. Companies and members do not pay anything for their Vaults or usage thereof.
2. If you stop using the service, company & members still keep their Vaults and certificates.
3. Vaults are secure document repositories. They canbe used to store other important documents.

Payment only becomes due when we have you running live on the service and you are happy it does everything that is stated above. There is NO Risk or obligation to use our service

SmartCerts Obligation of Usage

Limelight Software Solutions (Pty) Ltd
P.O. Box 2759
Bromhof 2154
sales@smarccerts.co.za
010 2269432

MATERIAL OBLIGATIONS OF USAGE

All certificates are stored in the 'Trusted' folder of a Vault. **Nobody** can add or change anything in this folder. With these controls in place, documents & certificates in the 'Trusted' folder are considered as good as an original.

It is imperative to SmartCerts success & survival that only genuine certificates are created and stored in our Vaults.

To ensure Limelight only creates genuine certificates, the signatory below, who is duly authorised to sign on behalf of the company named in this application, hereby agrees, commits and accepts the following terms & conditions of usage of this service;

1. Every individual provided to SmartCerts, via the Excel input, shall be a bona fida member of your association.
2. The details of every individual , provided via the Excel input, shall be accurate and honest.
3. Completed ID number shall be valid, according to Home Affairs rules.

Should any of the above obligations be broken then Limelight Software Solutions (Pty) Ltd, shall be entitled to immediately terminate your further usage of SmartCerts and may elect to cancel any or all vaults created on behalf of the company or individuals, including the vault contents. No credits shall be refunded in the event of termination.

RESTRAINT / INTELLECTUAL PROPERTY RIGHTS

Limelight Software Solutions hereby warrants that no information provided by users of the service, will be used or made available for sale or marketed in any way whatsoever, other than what is required by SmartCerts.

We abide by the intent and obligations of the POPI act.

Any unauthorised use, including, without limitation, copying, reproducing, modifying, distributing and/or altering of the Excel Workbooks or SmartCerts system is prohibited without the written permission from Limelight Software Solutions.
